*Mike suffers from a rare inherited neuromuscular disorder called Pompe disease, which causes progressive muscle weakness & degeneration. He has been hospitalized for over three years bravely battling this disease. All proceeds from this event will benefit Mike's return home to his wife, Debbie and son, Brian in Saddle Brook.

For more information about Pompe disease, visit: www.pompe.com, www.worldpompe.com, www.amda-pompe.org, or www.mda.org.

For Mike's story go to: www.northjersey.com - go to Google prompt & type Michael Stanzione
