**GRAND KNIGHT'S  
REPORT**

My Brothers All,

I hope everyone is enjoying the summer and making the most of it. We have been enjoying some relaxed months here at the council as well as officers begin to get acclimated to new posts. But soon the summer will be over, and we will be hitting the ground hard and fast during our busiest 6 months of the year from September to March, with many council events right out of the box.

We kick off our busy season and the month of September with a "9/11 Patriot's Day" Fundraiser chaired by our Deputy Grand Knight Nelson Cupeles. All proceeds from the event benefit Tunnels2Towers. More information regarding this beautiful remembrance and salute to America in the Deputy Grand Knight's Message.

On Saturday September 18 we make it official with the Officers Instillation Ceremony. The evening will begin with 4PM Mass at Sacred Heart Church followed at 5PM with the instillation ceremony at the council (reception to follow). We hope to see everyone there to welcome in the new slate of officers.

After a one-year hiatus due to COVID-19 our annual Council Golf Outing is back on and set for Friday September 24 from Flanders Valley Golf Course. If you have not already registered your foursome, please reference the form in this newsletter and if you have any additional questions, please contact event chairman our Worthy Warden Keith Hopkins.

There has been some, shall we say "misinformation" regarding our upcoming 80<sup>th</sup> Anniversary Celebration and Acknowledgement Night. At the time of this writing, I can report that the only thing finalized is the date of Saturday October 9.

Absolutely nothing else is finalized and the event is literally being worked on every single day by a committee of 9 members (including 3 Past Grand Knights) to create an event worthy of 80 magnificent years of our outstanding council. All I can say at this time is, you have not seen anything yet!

So, brothers, as you can see a lot will be happening in the next month, but you can't be an active council that is gaining a lot of attention without literally being an active council. And with all these events coming up, I expect to see everyone at least twice before we close out the calendar year. Part of why we have made it 80 years is because of the commitment of all our members through the years. So come out and celebrate, remember and bond with your fellow Brother Knights in the months ahead!

Vivat Jesus!

Grand Knight

## CHANCELLOR'S REPORT

My Brothers All,

Our next CUF (Charity, Unity and Fraternity) Degree will be on August 20, 2021, at 7PM in our upper hall. We invite all brothers to please consider attending to welcome our new members. As of right now we only have one candidate making their degree. We are opening this ceremony to other councils to have their candidates attend, but as the host council we would like to have more than one candidate. If you know of someone who you think would be a great addition to the Knights and our council, please let them know and sign them up. If you need Form 100s I have them and will be happy to give you some. As an added bonus, Supreme Council has extended FREE online membership for new members until December 31, 2021.

We would like to welcome Jorge Ramos to the Degree Team. Jorge is taking over the spot left open by Vince Sicari becoming Grand Knight, and will be the new presenter on Charity.

Vivat Jesus!

Chancellor

## COLUMBIAN CLUB

Brothers,

Recently the officers of the council and the officers of the Columbian Club met at Blackjack Mulligans in Hawthorne for our annual offsite meeting. This has been an annual summertime tradition that did not happen last year due to COVID-19. It was nice to finally get to do it this year as it was good to share a meal, drinks and laughs with my brothers.

I would like to thank our Grand Knight Vince Sicari, Gil Duke and Tom Tomesco on cleaning up and organizing the "man cave. Tom broke down and got rid of the bar and Vince and Gil got rid of some equipment that we have not been using and had just been laying out. They set up a couple tables with chairs for outdoor gatherings and for you cigar smokers to enjoy. The cave is not finished yet, but it does look much better than before, thank you gents.

Hall rentals are improving, thank God! There are some weekends where we have a party Friday, Saturday and Sunday so we are getting back. With more parties means the need for more men to work the parties, set up and clean up afterwards and all that. If you are interested, please contact Gil Duke for more information.

Lastly just a reminder to please remember to turn off the AC and lights after a party or if you are the last one leaving the building. Also do a walk around the building checking to make sure doors are locked and there is no garbage

hanging around. I know the Columbian Club runs the building, but this is all our home and we should all take pride in our home and make sure its properly taken care of.

All members of the council are also members of the Columbian Club and are invited to attend our monthly Columbian Club meetings usually held on the second Monday of the month. Our August Columbian Club meeting will be on Monday August 9 at 8PM following the Council Officer's Meeting.

Frank Del Re  
Columbian Club Chairman

## PARISH NEWS

Dear Brothers,

SAVE THE DATE!!!! September 26 following the Noon Mass we will celebrate the GRAND RE-OPENING of our Parish! I know we have been back, but some have yet to return out of anxiety, etc. with this pandemic. The Archdiocese is encouraging our parishes to hold events, spiritual and social this Fall to welcome back parishioners, a great idea.

So, we here at Sacred Heart will be kicking off our welcome back with a Parish picnic following Noon Mass on 9/26. There will be NO CHARGE as the Parish will absorb the cost!

It is my hope that it also serves as a welcome to our "new parishioners" who have joined us since the pandemic and have officially registered here and made Sacred Heart their family of faith! We will also do our best to reach out to those whom we find may have been away from the Church even before the pandemic. So, if you know of a family or individual who has been away for a bit, would you please give me their name and address as I personally wish to contact these folks and extend an invitation to them.

Folks, our livestream Masses have been a blessing and a source of comfort

for so many, near and far, and it's time to come back, time to evangelize and remind folks what they are missing when they are not with the community, the gift of the Eucharist! As great as livestream has been, especially for the homebound and ill, those who are able to attend are warmly invited to rejoin the community in prayer, song and yes to receive the beautiful gift that makes us who we are as Catholics, the Eucharist!

Peace & Blessings!

Fr. Rich Kelly  
Chaplain
